

Reduce your risk of developing Type 2 diabetes

Introducing Lark diabetes prevention coaching

Having prediabetes increases your risk of developing type 2 diabetes in the future. The good news is it's preventable. Lark provides friendly and effective coaching, available 24/7 on your smartphone, to help you prevent diabetes.

This is a fun program that helps keep you on track with weight loss goals. It's very supportive and friendly—easy to use and takes all the work out of tracking fitness. I definitely recommend!

This is exactly the kind of help I need to get my weight and health in control—private, personal, interactive, and on my own time. I've already lost 2 lbs in the first week.
