

A FLU SHOT IS YOUR BEST DEFENSE AGAINST THE FLU

This year more than ever as flu season approaches, it is important to set aside time for your annual flu shot. Most insurance plans not only cover the flu shot; they encourage it! ***If you are enrolled in the MTD Products Inc Medical Plan below are instructions on how to check our plan for a list of Providers where you can get your flu shot free of charge! In addition, many Pharmacies/Retail Clinics may offer incentives at their location when you get a flu shot. Some examples include coupons, gift cards, etc. Be sure to ask when you make your appointment for a flu shot!!***

WHERE TO GO FOR FLU SHOT:

In network providers change from time to time, so it is always a good idea to confirm with a Provider or Retail Clinic if they are still an In-Network Provider before having the vaccine administered. **If you have questions or need assistance finding a provider through the Medical Plan, please call the Member Services number on your Anthem member ID card (1-877-426-3188). Or through the Optum Prescription Drug Plan (1-800-797-9791)**
